

## ACCEPT GOD THE HOLY TRINITY

Fr. Martin Kalampambil, V.C.

Everyone should know and accept the Holy Trinity, the Father, Son and the Holy Spirit. It is through the working of the Trinity that we are saved and have eternal life; this is the Will of God. In the name of his Son, Jesus Christ all are saved, "There is salvation in no one else, for there is no other name under heaven given among mortals by whom we may be saved" (Acts 4:12). God the Father teaches that there is only one true way for salvation and that is through Jesus Christ. Our Father made this plan before the foundation of the world, "I am the Way, the truth, and the life" (Jn. 14:6). God is the Father of all religions and all believers and he gave his Son, Jesus, for the salvation of all peoples of the world. When we accept Jesus as our only Savior, we get the greatest gift from God, which is his Spirit (Titus 3:6). When the Spirit of God comes upon us we can give Jesus to others. The greatest blessing that one can give to the world is Jesus Christ and His Word.

We can accept the Trinity into our lives through:

**Prayer:** "For in Him all things in heaven and on earth were created" (Col. 1:15-20). Therefore pray to God, the Father to reveal Jesus to everyone.

**Proclamation:** Jesus asked his disciples to go to the ends of the earth and to proclaim the Good News. In order to proclaim the Good News to others, we have to read the Bible and be prepared to do this work. We need to pray to be able to witness to Christ. Then in our parishes and institutions, wherever we work, prayer groups and whenever we travel, we can proclaim the Good News to others. Through our talks we can give Jesus to others. Whoever proclaims Jesus, God will reward them, because they are serving God! (Jn. 12:25-26)

**Working Together:** "For where two or three are gathered in my name, I am there among them." So when two or three work together, that will be more fruitful. For this work, parishes and institutions should educate the people about the relationship of the Trinity and then go out to the villages to spread the Good news about Jesus. We believers should do this sort of service. In St. Luke's Gospel, chapter 10, we read that Jesus sent 70 of his followers out to preach. Jesus did this as an example for us.

**Surrender:** We should surrender ourselves, our thoughts and our lives to Jesus. For total surrender we need victory over Satan, sin and the world. For this we have to carry our crosses. God will give us the victory over criticism, pain, sorrow trials tribulations and death! To make this victory possible we have to pray to God to give us the anointing of the Holy Spirit with wisdom, with power and revelations. Start as soon as you can, pray to God to help you do His work. You will be blessed with graces both in this life and for eternal life!
