

COME TO ME

Fr. Mathew Naickomparambil V.C.

God works great wonders for mankind from the time of creation until today. God the Father promised our Savior to Adam, Eve and their descendents who disobeyed his commandments and therefore lost grace. God said to Satan who made the first man a slave to sin, "I will put enmity between you and the woman and between your offspring and hers; he will strike your head and you will strike his heel..." (Gen. 3:15). Slavery to sin means slavery to Satan. In order to free a slave you require another person's help. Jesus came to this world to free human beings. "So if the Son makes you free you will be free indeed" (Jn. 8:36).

In order to save the whole humanity Jesus gave up his life on the cross. Jesus wants to come and to fill the life of each and every one who believes in him. "Listen! I am standing at the door knocking; if you hear my voice and open the door, I will come in to you and eat with you, and you with me." (Rev. 3:20). "But to all who received him, who believed in His Name, he gave power to become children of God." (Jn. 1:12).

God Who Works Great Wonders (Sirach 50:22)

- Jesus wants to give us inner healing and peace. Isn't it a wonderful work? Jesus says to all those who have problems in life and bear pain in their hearts, "Come to me all of you that are weary and are carrying heavy burdens, and I will give you rest" (Mt. 11:28). St. Peter writes, "Cast all your anxiety on Him, because he cares for you!" (1 Peter 5:7).
- Whatever may be the adversities of our lives, almighty God wants to convert them into our own goodness. "We know that all things work together for good for those who love God, who are called according to his purpose." (Rm. 8:28).
- Jesus heals within seconds those sick people who have failed to be healed by the medical science. Jesus healed all those sick people who came to Him. About 2000 years ago, whatever Jesus did in Palestine, he wants to do it among us today. The Bible says, the Israelites journeyed through the wilderness for 40 years, but there was not even a single person who was sick amongst them.
